

ROCK SOLID FREEDOM

PAYWARE MOBILE COMPLETE PAYMENT SOLUTION FOR iPhone

It's the complete payment solution that transforms iPhone™ into a secure payment portal. With VeriFone's PAYware Mobile, you'll never miss a sale. Simply swipe a card, capture a signature and enjoy the convenience of payments wherever, whenever. With PAYware Mobile, not only do you have the ultimate in convenience, you have the ultimate in security. In addition, the app-plus-card encryption sleeve combination can lower your cost of accepting credit cards by 30%. PAYware Mobile. Solid. Secure. Delivered.

SIMPLE AND SECURE

- Complies with global software security standards and is VeriShield Protect-enabled for the highest security
- Protects customer data and greatly reduces your liability of risk from fraud
- Snap on the ergonomic card encryption sleeve in a jiffy
- Built-in stylus is always at your fingertips
- Makes signature capture easy and instantly emails receipts
- VeriFone's thirty years of payment expertise offers welcome peace of mind

THE ULTIMATE CONVENIENCE

- Accommodates the many customers who want to use credit cards
- Helps you save up to 30% on the cost of accepting credit cards
- Speeds transactions and eliminates manual-entry errors by swiping cards
- Increases purchase amounts up to 16% by offering customers a preferred payment method
- Reduces cash, decreasing risk of theft and simplifying cash-handling and reconciliation

MADE FOR SMALL BUSINESS

- Credit transactions are posted almost immediately, providing fast access to funds
- Transaction geotagging helps resolve disputes and analyze sales trends
- Real-time reporting includes extensive search capabilities to find specific transactions and gives robust summaries to enable quick and easy balancing

ROCK SOLID FREEDOM
